SYMPOSIUM & GA 2024

14 > 15 MAY 2024 - TORINO, ITALY

Water from Vines to Wines:
viticultural, microbiological, technological, composition,
including grapes withering

PROVISIONAL PROGRAMME: SYMPOSIUM & GA 2024

TUESDAY 14TH MAY 2024 - SYMPOSIUM

Water from Vines to Wines: viticultural, microbiological, technological, composition, including grapes withering

TITLE	SPEAKER	INSTITUTION	COUNTRY
SESSION 1: Water in viticulture: climate change, irrigation, biological changes with water, incidence on the berry			
<i>Early response to water stress in rootstock/scion grapevine combinations: a comparative analysis via plant phenotyping platform and plant-to-atmosphere gas exchange.</i>	Claudio Lovisolo	Università degli Studi di Torino	Italy
<i>Coping with drought stress in german steep slope viticulture</i>	Matthias Friedel	Hochschule Geisenheim University	Germany
<i>Photosynthetic functioning and water use efficiency among Muscadinia x Vitis hybrids are differently drought-regulated</i>	Laurent Torregrosa	L'Institut Agro Montpellier	France
<i>Integrated irrigation management system based on advanced micrometeorology, vineyard IOT, and grape quality tier allocation: Concha y Toro's experience</i>	Sebastian Vargas	Concha y Toro	Chile
SESSION 2 : Water, soil and microbiology			
<i>High-precision Modelling Of Slope Stability And Water Flow Provides Adaptation To Climate Change Impacts On Soil Erosion And Landslides In Mountain Viticulture</i>	Antonio Graça	Sogrape	Portugal
<i>How soil management impacts vineyard performance, grape quality and biodiversity. Case-studies of Douro Demarcated Region vineyards</i>	Cristina Carlos	UTAD	Portugal

TUESDAY 14TH MAY 2024 - SYMPOSIUM

**Water from Vines to Wines:
viticultural, microbiological, technological, composition,
including grapes withering**

TITLE	SPEAKER	INSTITUTION	COUNTRY
SESSION 3: Water and oenotourism			
<i>The impact of the irrigation and the vine-wine systems in the landscape and heritage for the enotourism</i>	Alejandro Gennari	Universidad Nacional de Cuyo	Argentina
<i>Can wine tourism help you test the waters?</i>	France Gerbal Médalle	Bureau d'études France M	France
<i>Sustainable Wine Tourism: Exploring Innovative Water Management Practices in Wineries in Baja California, México</i>	Diana Celaya	Cetys Universidad	Mexico
SESSION 4: Water and wine technology			
<i>Exploring Microalgae-Based Approaches for Winery Wastewater Polishing: A Preliminary Study</i>	Rita Fragoso	Instituto Superior de Agronomia	Portugal
<i>Oenological process and water use</i>	Pierre-Louis Teissedre, Monika Christmann	Université de Bordeaux	France
<i>Physical determinants of vineyard ET and issues related to water budget and climate change</i>	Andrea Pitacco	Università degli studi di Padova	Italy
SESSION 5: Water in grapes and wine composition			
<i>Harvest timing and postharvest dehydration duration affect grape and wine quality: A three-vintage study on Nebbiolo-based Sforzato di Valtellina DOCG wine production</i>	Simone Giacosa	Università degli Studi di Torino	Italy
<i>Title to be confirmed</i>	Fabio Mencarelli	School of Sant Anna, Pisa	Italy
<i>Grapes Withering - Appassimento</i>	Andrea Dal Cin	Masi Agricola	Italy

WEDNESDAY 15TH MAY 2024 - GA & WORK GROUP

OENOVITI General Assembly

This annual meeting brings together members of the network, to discuss and make decisions on key matters. The typical program includes items such as assessment of the network, financial reports, presentation of new partners and discussions on major policies or strategic directions. It serves as a platform for members to voice opinions, ask questions, and participate in the democratic decision-making process of the network.

Work Groups Meetings

These meetings offer a valuable platform for discussing both the ongoing and forthcoming projects within the various work groups. Collaboratively, we consider areas for enhancement and explore potential new initiatives.

PRE-REGISTRATION TO THE EVENTS

The upcoming **OENOVITI International Symposium & General Assembly 2024**, will take place on **14th and 15th May 2024 in the enchanting city of Turin, Italy**. Hosted at Turin University, within the venue of Asti, this event promises to be a pinnacle in our annual calendar.

You are invited to pre-register for these events using the link below.

We kindly request pre-registrations **by 26th February 2024**.

Your pre-registration will help us anticipate the number of participants and ensure a seamless experience for everyone.

Partners who pre-register will receive further details on the program and accommodation as the event approaches.

We are eagerly anticipating your presence at this gathering, where industry leaders and professionals will converge to explore, discuss, and celebrate advancements in the world of viticulture and oenology.
